## Music Classes for Kindergarten through 6th Grade Horizon Christian Academy

### A “NOTE” FROM MRS. BERRY

Music is hopping and jumping and exciting at HCA! Students in every class are reading rhythms, notes, dancing and moving to the beat—and I couldn’t be happier!

As you know, the 4th-6th grades are working on a wonderful musical presentation called “A Kid’s Life”. We will utilize the talents and gifts of every single student in those classes. We need your prayer and support where needed if you are available. If you have any expertise in stage management, such as lights, sound, costumes, props, etc....we are training students to have a little taste of what it takes to put on a production. Your Music Department needs YOU! Please contact me if you might be available to assist in this way. We will have our first “crew meeting” next Wednesday morning at 7:30

# Music Notes K-5 and 6th

in the music room.

Our Spring Concert time is also approaching quickly—March 29th—so mark your calendars. Kindergarten through the 3rd grade will be performing together during this evening presentation. The fourth-sixth grades will share some of their music from “A Kid’s Life.” It will be a wonderful night.

February is always set aside to show our love and appreciation to one another and to the Lord. I pray that you truly know how much He loves you. In chapel, we’ll be talking about honor this month. These two words walk hand in hand. Talk with your students about what it means to honor AND love!

## HCA MUSIC NEWS

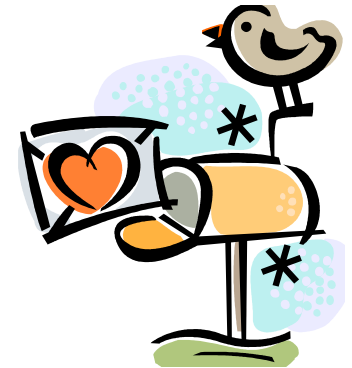

### Grades 4-6

If you haven’t heard any music coming out of your child’s room since the beginning of this production, check to see if they’re wearing headphones. :)

It is amazing how quickly they are picking up the music and words. Please encourage them

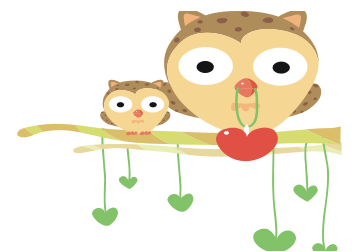

to spend a little time each night, getting the lines, solos, and/or lyrics down to the songs. Next Wednesday is the deadline to have their lines memorized. This is necessary for them to be able to learn movement, blocking the scenes, etc.

Praise the Lord—I have two awesome Moms who will be
